Good Day Retirees! We are excited to bring to you the first issue of the newly developed LHS Retired Teacher Newsletter. Thank you for being our first readers of this publication.

We would like to thank LHS and Dr. Mary Ticknor for assisting us in reaching out to you. Now we need you to reach out to other retirees you are in contact with. Find out if they have signed up for the newsletter. If not, share yours with them and encourage them to join us.

Now that we have the first issue out, we are ready to begin to create issue two. We are looking for items of interest for future issues—if you have an idea, send it our way! We’re always looking for photos of special moments: remember that 15 lb. fish you caught, that special vacation moment, you with your new grandchild - the possibilities are endless. Cartoons, quotes, or anything you think will add to future editions are welcome. We are trying to establish a consistent schedule for the newsletters. We are planning to publish issues in September, January and April. Keep those ideas coming!

MEET YOUR EDITORS

Sharon Jacobs will be the newsletter’s Assistant Editor. Sharon retired in 2012 as English Department Chair. Since then, Sharon has been traveling the world. She has become a cruise expert, exploring places like Italy, Spain, Argentina, and Morocco. Sharon likes to spend 1-2 months circling the globe. She is heading to Australia, New Zealand, Samoa, the Fiji Islands and Hawaii in 2016 and has plans already in place for her next tour in 2017. In between her travels she has two dogs she dotes on, and volunteers at Hinsdale Hospital. Sharon has found her happy place.

Pam Murray will be the newsletter’s Editor-in-Chief. Pam retired in 2013 as a Physical Education Teacher, a long time Athletic coach, and Assistant Athletic director. Pam loves the outdoors and spends time participating in a variety of outdoor activities such as golf, canoeing, hiking, and walking with her two dogs on which she dotes over as well. She has done some travelling in the states since retiring, most recently to the Smokey Mountains. Pam volunteers at the Morton Arboretum, works on the Hall of Fame committee at LHS, participates in various church events, and works with the church youth on retreats, mission trips, and with confirmation. She is looking forward to bringing this newsletter to our LHS Retirees.

Carol Nenne will serve as our copy editor. Carol retired in 2010 as a Math teacher, Yearbook sponsor, Mathlete Coach, and sponsor of numerous other clubs. Carol now spends her time teaching math at North Central College. She also serves as a student teacher supervisor for Illinois State University and St. Xavier University. In addition, Carol is chair of the Illinois State Math Contest and works with Ron Cygan to write problems for various local math contests. She is also involved with the Chicago area math teachers organization and co-chairs their annual conference. She likes to travel, spend time with church activities, and garden.
