

Dear LHS District #210 Retirees,

In a combined effort with Lemont H.S., a retiree newsletter is in the works! The purpose of this LHS Retiree Newsletter is to help our retirees stay in touch with one another and share what we are doing with our post-LHS lives. We hope to bring you some tidbits to help strengthen our past connections as well as create new ones. This will be an informational tool specifically for our retirees.

In the LHS Retiree Newsletter, you'll hear of upcoming events, news about reunions and teachers/staff, school news, and other things we hope you will share with us about you and your adventures. There is no cost to this subscription for those receiving the newsletter online. There may be a small fee for those receiving a mailed copy down the road. We very much appreciate the District's support and efforts in sending out our first official contact to you.

We hope you will be interested in receiving this newsletter, but before we can commit to its production, we need your help. If you would like to be placed in the database to receive a copy, please send the attached form back to us with your information as soon as possible. This information will not be given out to anyone without your permission.

We all like to hear from and about our former colleagues. We would love to have you share your stories and/or a picture or two from your adventures past or present. 😊 Please pass on this call for sharing with other retirees who may not have received this request. We are attempting to make contact with all, but understand we may not have up to date information available for everyone. Your help is appreciated. Our goal is to deliver 2 issues in 2016 and 3 issues thereafter.

We hope to send the majority of newsletters out via email. Please complete the following information sheet and either send or email it to:

Pam Murray at 10S250 Havens Dr. Downers Grove, IL. 60516 or email it to mert242@comcast.net

We look forward to hearing from you! Pam, Sharon J., Carol N.
